

MATERIAL SAFETY DATA SHEET

1. Product And Company Identification PRODUCT NAME: SD901N TRADE NAME / SYNONYMS: SD901N CHEMICAL FAMILY: Polyvinyl acetate MOLECULAR FORMULA: Mixture Company Name: VuManh Co. Ltd. Address: No 7, Street 10, Group 1, Phuoc Hai Hamlet, Thai Hoa Ward, Tan Uyen Town, Binh Duong Province, Viet Nam. Tel: 0976.019302 Emergency Information 0976.019302											
2. Product Description and Hazard Information <table border="1"> <thead> <tr> <th>% COMPONENT</th> <th>CAS #</th> <th>EXPOSURE LIMIT</th> </tr> </thead> <tbody> <tr> <td>20 copolymer emulsion</td> <td></td> <td></td> </tr> <tr> <td>75 Water</td> <td></td> <td></td> </tr> </tbody> </table>			% COMPONENT	CAS #	EXPOSURE LIMIT	20 copolymer emulsion			75 Water		
% COMPONENT	CAS #	EXPOSURE LIMIT									
20 copolymer emulsion											
75 Water											
3. Hazard Identification Not Classified as Hazardous according to Worksafe Viet Nam.											
4. First Aid Information General information: Seek medical assistance if irritation occurs . Inhalation: Remove from exposure Skin contact: Wash contaminated skin with soap and water. Remove contaminated clothing and wash before re-use. Eye contact: Immediately irrigate with copious amounts of water, for at least 15 minutes , with the eyelids open. Ingestion: Do not induce vomiting.											
5. Fire Fighting Measures Extinguishing media: Water spray, foam, carbon, dioxide, dry chemical powder. Unsuitable Extinguishing media: None known Specific hazards: None known Special Protective: Firefighters should wear self contained breathing apparatus if there is a risk of exposure to products of combustion.											
6. Accidental release measures Personal precautions: No special measures required Environmental Precautions: Avoid contamination of drains and waterways Methods for clean up: Contain using suitable absorbent(sand, soil or other inert material)											
7. Handling And Storage Handling: Repeated or prolonged contact with this material should be avoided in order to lessen the possibility of skin disorders. It is essential that all who come into contact with this material maintain high standards of personal hygiene ex. Washing hands prior. to eating, drinking or going to the toilet.											

Storage:	Store in a cool place in closed original container. Keep containers closed as not in use, labeled containers.
Transport:	Not classified as dangerous good according to Vietnam standards.
8. Exposure controls / personal protection	
General Precautions:	Good industrial hygiene should be followed
Ventilation:	Good general ventilation should be adequate under normal conditions
Occupational	
Exposure Limits:	Not established
Personal Protection:	Wear safety glasses or face shield and appropriate chemical resistant gloves
9. Physical And Chemical Properties	
Appearance:	solid
ph, 100 %W/W:	7.0– 8.0
Viscosity, CPS 30°C	90.000 –100.000 CPS
Melting Point:	Not determined
Boiling Point:	100 approx (water)
Solubility In Water:	Miscible with water
Flash Point:	Not applicable
Solidity (%):	20
Specific Gravity:	1.05 – 1.1
10. Stability And Reactivity	
Materials to Avoid:	Strong oxidizing agents
Conditions to Avoid:	Extreme heat and sources of ignition
Hazardous Decomposition	
Products:	None known if used for its intended purpose
11. Toxicology Information	
Acute Oral Toxicity:	Not determined
Inhalation Toxicity:	Not determined
12. Ecological Information	
Degradability:	No data available
Aquatic Toxicity:	No adverse effects are expected
Bacterial Toxicity:	Not determined
13. Disposal Considerations	
Waste Disposal:	Dispose of by incineration in an approved chemical waste facility according to local regulations
14. Transport Information	
General:	Not classified as a dangerous Good according to Worksafe Vietnam, IMDG and IATA
15. Regulatory Information	
Inventory Status:	Listed on TCVN (Vietnam)
16. Other Information	
This information is based on our current level or knowledge and describes in the condition it is supplied. It is intended to describe the safety requirements of our products and is not	

intended as a guarantee of liability for any consequences arising from its use.
